TERMS AND CONDITIONS

The Black Hills Winter Show sponsored by the Rapid City Chamber of Commerce, solely in the interest of improving quality and increasing livestock numbers in the upper mid-west area, takes pride in presenting this offering of QUALITY PUREBRED LIVESTOCK.

Through the cooperation of the respective breed associations, every effort has been made to produce only such consignments that are a credit to their association.

The terms and conditions under which this sale will be conducted are as follows:

1. Each animal will be sold without reservation to the highest bidder.
2. Buyers will assume all risk on animals as soon as they are declared sold.
3. The auctioneer will settle all disputes as to bids.
4. Each consignor accepts the responsibility of guarantee of his own cattle and has the privilege of giving additional guarantee on his cattle at the time of their sale in the auction ring. The Black Hills Winter Show acts only as agent for the several consignors in this sale and does not assume any responsibility of the animal's future usefulness. If an adjustment needs to be made, it must be made between the purchaser and the consignor.
5. Any change in breeding date will be announced sale day.
6. All animals of breeding age are guaranteed breeders. All entered animals are guaranteed to be without known defects, but nothing further. Animals failing to breed after a trial of six months may be returned to the farm of the seller if in good condition. The seller reserves the right for six months to try said animal and if it proves a breeder to return it to the station of the buyer at his expense. If said animal proves sterile a satisfactory exchange will be made or purchase price refunded.
7. Terms of every sale are cash. Settlement to be made with Fred Barth, sale clerk, at the time of sale unless special arrangements are made with the clerk.
8. Every consignment must conform with existing state sanitation regulations. All necessary health certificates will be issued.
9. Mail bids will be accepted by the Breed Superintendents.
10. Every precaution will be exercised for the safety and welfare of those attending the sale. However, the Black Hills Winter Show, the management or anyone helping with the sale assumes no responsibility for accident or injury.

The banks of Rapid City are cooperating in the Clerking, and they are represented by Fred Barth of the Rapid City National Bank.

The family of Proud Prince cattle have been for many years the ever-popular bloodline in the state of Wyoming, introduced through the immortal Major Mosely herd of Wilson, Wyoming, in the Tetons. They are noted for their beefiness, for their size, for their good doing ability on the range and in the feedlots as well as the show ring. Above all for their quiet dispositions. The two bulls listed above speak for themselves. Their sire had an unquestionable record in our herd during his entire lifetime.

Ben Rica Eileenmere 2903601—A late summer yearling show bull with a great potential as a senior yearling. This flashy-headed, deep, thick-bodied young bull stands on a wonderful set of legs that combines with great style, character and quality to make him an outstanding herd bull prospect for even the most discriminate breeder. His sire, Ak Sar Ben Eileenmere 133, is a Dale Redding bred bull by the good sire Ankonian 3212. The pedigree of both sire and dam still show the breeding of the 1946 International Grand Champion, and one of the great sires of the breed Eileenmere 500th. For the very critical buyer who wants a bull that we believe will sire show calves and cattle with uniformity and quality, we most definitely will recommend this bull.

HOME ON THE RANGE

I'm Reddy Kilowatt. Pardner, I'm definitely at home on the range . . . the **ELECTRIC** range. I can broil, boil, stew, fry, bake and simmer. Cooking's a breeze with me on the job. In fact, Electric is the best way to cook, No pot-watching, the same results every time. If you haven't tried me, you'd better 'change your range' . . . to Electric, that is.

This is one of our first bull calves at the 76 Ranch and we are pretty proud of him. His sire is the herd bull of Dr. Dietmeier's Aberdeen Acres Ranch, LaSalle, Colorado, who has sired many good champions in the West. The dam is a real good Jilt Cow from the Penney & James herd. This bull is well bred and a good individual. He is deep in body, with good bone. I used him with six of my good heifers.

**HOMEPLACE EILEENMERE 184TH 1263840**

The 184th is sire of my Lots 1 & 2 Bulls offered in this sale. He was nine years old when I saw him sell and was as active as a three year old, he sold to a Montana Breeder. He has sired many good champions around the West, topping the Denver sale.
